Dear Parents and Members of the Olinda School Learning Community,

As we welcome in the New Year, we traditionally establish some new goals or resolutions which we hope to keep beyond the first or second month of the year (or second week of the year for some of us). Because we are parents and because we want the best for our children, one of your New Year's Resolutions might be to help your children be happy and successful.

Sometimes though, as parents, we wonder in what ways we can be most effective in helping our children be successful and achieve their potential. My resolution this year is to talk only once and to listen to others two times more, to read more good books and to spend less time on my devices!

If I may assist you or your children in any way possible or answer any questions that you may have please call me at 714.528.7475 or e-mail me at rrendon@bousd.us

I hope your holidays were fun ones and wish you a happy and healthy 2018!

Mr. Rendon
