## Somebody Helps You

"No matter what accomplishments you achieve, somebody helps you."

Althea Gibson

Dear Parents,

Thank you for helping us to achieve as well as we do at Olinda Elementary School. Your help is much appreciated. Over the last few weeks I have been writing about the importance of communicating regularly and meaningfully with your children. As your children age up your effective communication will be difference makers.

Please also note the following:

### State Testing 2018 / Students in Grades 3, 4, 5 & 6

The following are specific testing weeks for the following grade levels:

May 7th to May 18<sup>th</sup> - 4th & 5th Grades

May 21st to June 1<sup>st</sup> - 3rd & 6th Grades

### Student / School Safety

Please follow all safe driving rules while dropping off or picking up children off at school. Please DO NOT drop students off in the staff parking lot and allow them to walk in the parking without parent supervision. If you wish to drop your child off in the front parking lot you must park your car and walk them to the cross walk. Thank you for your cooperation.

### Controlled Access

Before school, parents and other adults will not be allowed beyond the main black gates to walk their children to class. Any parents and other adults with school business or an appointment with a teacher MUST enter the school office doors on the east side of campus, sign-in and wear a visitor's badge. The only exception will be for parents of pre-school students dropping off children in room #108 through the end of this school year.

If we can provide you with additional information or assistance, please contact your child's teacher or call me @ 714.528.7475. I am also available via email at [rrendon@bousd.us](mailto:rrendon@bousd.us) and I will do my best to assist you or your child in any way I can.

Thanks for your continued support and Go Eagles!

Mr. Rendon  
Principal
