**ROBERT RENDON**  
PRINCIPAL

Greetings!

It was a pleasure for me to be a part of Back to School Night last Thursday Night. I would like to welcome all new families to our fabulous school. I would also like to thank my teachers for keeping children the center of our school's attention.

During the upcoming week I will be meeting with all classes in grades 1 through 6 to review major school rules. Please be sure to ask your children about the "Big 3" and why Olinda is such a special school. The presentation will be posted on our school's website if you would like to review the presentation with your children at a later date.

We will continue to post all information electronically on our school's website and we will email home all info on a regular basis. This will certainly assist us with helping to make our "school world" a better, more eco-friendly place.

To ensure a safe arrival and departure for all students who have parents drop off please note the following:

1. Please stay in the right lane and do not pass in front of other parked vehicles ahead of you to drop off or pick up.
2. Please have your children ready to exit your vehicle immediately on the passenger side of the loop! Do not allow children to exit on the driver's side of the car.
3. Please refrain from brushing hair, writing checks and making final backpack inspections while you are dropping off children.
4. Parent drivers should not EXIT cars at any time. Please do not impede traffic flow in the parking lot. If you are choosing to drop your children off in the main parking, please park your car in a parking spot and then walk your children to the center island. Please remember there is limited parking available in all parking lots due to the large size of our staff.
5. DRIVE SAFELY AND SLOWLY.

Thank you for your cooperation as we welcome and dismiss over 650 smiling faces every day. Please call me at 714.528.7475 or e-mail me at rrendon@bousd.us if I can assist you or your children in any way possible.

Sincerely,

Mr. Robert Rendon  
Principal
