

## Bicycle Safety

Olinda students in third through sixth grade have the opportunity to ride their bicycles to school. The fenced, bike racks are located next to the cafeteria.

Here are some important school safety rules that must be followed at all times.

- ✓ Students must wear a helmet to and from school!

- ✓ Students must **walk their bike** once they are on the school campus and remain on the sidewalks at all times.
- ✓ Students should lock their bicycles to the rack with their own lock. The school is not responsible for lost/stolen bikes or helmets.

Students may lose their bike riding privileges if they do not follow the school bicycle safety rules.

Please note – Skateboards, scooters, and/or skates are not allowed on campus.
